

2018 Community Builders Network of Hope

Christmas Season Festivities

In 2017, Community Builders Network of Hope (CBNH) created its first Nativity float in Oshawa's Santa Claus Parade. It was the only Nativity float!

We believe it's important that the community at large see and experience a Christian Faith presence in their community. And, we would like to see a greater representation of the Christian Faith Community to come together in unity.

For the last number of years, CBNH has set up 3 hot chocolate/cookie stations along the parade route where volunteers cheerfully gave hot chocolate & cookies to those waiting for the parade to begin. The signage at the 3 hot chocolate/cookie stations displayed church logos that sponsored the Christmas Season Festivities.

The Nativity float displayed a banner on both sides of the float that read: "CHRISTmas...The Reason for the Season". The churches that came together and sponsored CBNH's Christmas Season Festivities were acknowledged with their church logo on the banner. It was great for the people of Oshawa to witness unity in the Christian Faith community, and provide **a visual presence of your church.**

Community Builders Network of Hope have also had Carolers singing on the streets of downtown Oshawa weeks leading up to Christmas. They are seen and heard walking up & down the streets sharing festive cheer. The response has been received with open arms and overwhelming for some people as they hear songs being sung of the birth of our Saviour.

CBNH is planning to create the Nativity float once again including the other Christmas Season Festivities. **We are asking for you to partner with us.** There are two types of opportunities: Sponsorship & Volunteering.

We would be delighted to have your church as a sponsor. Thank you for your consideration in being a part of the greater community and partnership in these Christmas Season Festivities in downtown Oshawa. One of CBNH's team will follow up the week of Oct. 8th.

To learn more about who we are & what we do, check out our web page CBNH.org

Blessings,

Donna Loback & Community Builders Network of Hope Team
